1. Complete alphabetizing of words and phrases =5 points.

2. Definitions for all words or phrases = 5 points

3. Proper application of all words and phrases =5 points, Max 15 points

4. Absence of citing source(s) = -10 points you will lose 10 points for not citing you source.

Once you've alphabetized all words and phrases then give definitions for the word or phrase. This is to be followed by using the word or phrase in a short sentence applicable to our field of study.

Example: Let's use the word strategy. There is a Strategy to planting a New Testament Church.
